
May Meeting Agenda

May 27th, 2020 @ 7:00 pm

Zoom

Welcome & Introductions

Last “official” meeting of the year

Board and Committee Updates:

Open Board Positions:

- Co-President of HWC - TBD. HWC is not looking for any open board positions; Allison sent an email this week and got a very positive response from everyone.

April Fundraiser: Text2Give for Hingham Food Pantry

- \$2,685!! Thank You!! Due to COVID-19 - this has been a really key time for the Food Pantry and we are very happy to support a local organization.

2020 Scholarship

- 4 Awards granted this year - \$2,000. Good conversation - submissions were impressive and great dialogue even not in-person - very strong applicants who were very different. Great essays and amazing young people and it was tough to narrow from 4 to 3 so made the decision to award 4 awards. Due to COVID - HWC was able to save some money on expenses and do the 4 awards. We're unable to host an event but will wait until school announces awards and perhaps host a parade. There were approximately 20 applicants this year.

Senior Center Cards & Artwork

Darleen was collecting cards and has gotten great feedback from the Senior Center and she is also doing it for FLAG.

Outdoor clean-ups

- Grab a trash bag and some gloves the next time you head out to clean up our beautiful outdoors. HWC had wanted to do it this year with the Kids that Care program - reached out to Hingham Rec Center but it is a difficult time with COVID to organize any group events. One idea was to pick up trash in a bag - similar to Just One Bag Campaign in Cohasset - trying to help collect trash at a community level. There is also an opportunity to tag HWC for any clean-ups.

Women's Club Wellness

- Virtual yoga & Bar Method classes scheduled with more to come! This is a Caroline “legacy” initiative - good way to be social and be healthy also. Another way to join together during this challenging time. Sign up is through HWC and money will be sent directly to charity from HWC.

Bar Method will be \$10. Caroline and Sherri are co-chairs moving forward. New ideas included mindful meditation, workout with a pep talk; business networking with wellness;

Ways to Help During Covid-19

- If anyone hears of an idea to help let us know and we can also put it out there in social media. Ideas of lawn signs and decorations for hospitals; kids planting sunflowers.

Fundraiser - Wine Pull & Wine Tasting

- Wine Pull \$25: Barrel & Vine has chosen a mix of different wines - be surprised and get introduced to your next favorite bottle!
- Wine Tasting \$75: Three bottles of French wine, curated bottles from from Barrel & Vine with details about wines, region and note taking
 - Delivery within Hingham Friday June 5th
 - We will host a virtual wine tasting Wednesday June 10th
- Wine not your thing, but still want to contribute? <https://give.onecause.com/fatherbills> Or text fatherbills to 243725
- Funds raised will benefit Father Bill's, which right now has an urgent need of meals for their residents. COVID has impacted their typical fund-raising event programs. We will purchase gift cards from local restaurants for Father Bill's to purchase meals for residents safely and also help local businesses.

Upcoming Events:

80th Anniversary!

- The Hingham Mother's Club was formed in 1940. Over the years the club has evolved into an organization that promotes civic and community welfare and sociability.

JUNE

- Monday June 1st, 7:30 pm: **Book Club** - via Zoom: WInter in Paradise, Elin Hilderbrand
- Wednesday June 3rd, 12 pm: Virtual Yoga class with Kringsman Yoga.
- Saturday June 13th at Noon: Virtual Bar Method Class

LASTLY

Thank you to everyone for an awesome year - especially a huge thank you to Caroline for all of her great work, positive energy and dedication as co-President and her many other years of service to HWC!

Keep in mind our generous donors! Many of them have come up with creative ways to grant access to their goods and services without physical contact!
